Due to the increased threat of serious illness and loss of life by the rapid spread of the COVID-19 virus, I, Ray Loveless, Chairman of the Board of Trustees of the South Utah Valley Electric Service District, have determined that conducting District meetings at the District Office or at another anchor location is likely to contribute to the spread of COVID-19 and would present a substantial risk to the health, safety, and welfare of the District's customers, participants, and observers.

Therefore, pursuant to Utah Code 52-4-207(4), District meetings of this public body will be held only electronically and this determination shall expire thirty (30) days from the date the Chairman of the Board of Trustees of the South Utah Valley Electric Service District signs the written determination.
